- 26: Bangladesh Independence Day
- 27: National Dress Day

Look Ahead to April

- 1, 2: Kg-1 Form-giving Days - details will be coming out soon!
- 7: End 3rd Quarter

Independence Day

Since Bangladesh's Independence Day is on a Saturday this year, our WCA students will be celebrating on Sunday, the 27th. All students are encouraged to come to school that day dressed in traditional Bengali clothes. The girls may wear saris or shalwar chemise. The boys may wear punjabi outfits.

Welcome!

We want to welcome Miss Krikkit Holly to WCA! Miss Holly is coming to Bangladesh to do her student teaching at our school during the months of March and April. She is completing her BA in education at a university in America, and has been looking forward to coming to Bangladesh for a long time. We are delighted to have her working with our Class 5 students during these months under the supervision of Madam and Miss J.

KG-1 Admission

Many of you are already asking about Kg-1 admission for next year. Current WCA students will be bringing home a letter soon to allow you to request an opportunity for siblings to be tested for admission. For those outside the immediate WCA family, we are working on a new system for our Form-giving Days. More information will be given as the time gets closer. Please be patient!

Sports Day

Our elementary Sports Day was an exciting afternoon of laughter, competition, and fun.

The students had wonderful attitudes as they encouraged each other to try their best. Competitions were held in the following areas: jump rope, hopping race, tug-o-war, bean bag toss, basketball throw, balance beam (pillow fight!), and a leg race. 312 ribbons and certificates were given out to our terrific athletes. Students are already asking about next year's Sports Day!

Salad Day

Class 1 held their annual Salad Day on the 24th of February. The students came cleverly dressed as delicious vegetables and fruits. Thanks to Priti Uncle, the kids had a terrific time eating some scrumptious salads. There is no better way to learn about veggies and fruits than to eat them!
